Sanctions the proposal

ML 6483 Bills relating to repairs to Municipal Corres in Bangalore City Municipality

Letter No A2PR 41-C232/48-49 dated 8th November 1948 of the ML Commr Bloe City on the subject

In the above-cited letter, the ML Commr requests sanction to the proposal of entrusting repair work of ML Corres without calling for tenders, to certain recognised firms (Messrs Addison & Co, Simpson & Co George Oakes & Co & Webbs & Co) and he has added that a bill for Rs 602-3-0 of Messrs George Oakes & Co has been admitted in audit provisionally under certain objections the general question being dealt with separately

Ltr.

Further letter No A2PR 41/C232/48 dated 16-2-49 from the ML Commr Bloe City on the subject

In this letter the ML Commr. requests that two bills one for Rs 1451-4-0

fll Bills for repairs to fll lorries
6483- in Blue Lady Hills-

and the other for Rs 904-12-0 (both aggregating Rs 2356-00) were not admitted in audit as no explanations have been called for the admitted. He fll, hence after meeting held on 14-2-49 resolved that the bills may be paid in anticipation of sanction of govt- and has enclosed a copy of resolution. The resolution mentions bill for Rs 904-12-3 of Messrs Spiga Coates Ltd- Municipal lorry No MYZ 4792 and does not mention about the other bill

3 The general question is being dealt with separately in Lahore file

Lahore
7-3-49 4 The general question of entrusting the repairs of fll lorries to any one of the firms recognized firms without calling for quotations is under consideration in the Lahore file

5 The fll owns, repairs that two lorries and belongs to the Health

Section and the other for the Engineering Section – were got repaired this season by large cakes as an urgent necessity and two bills amounting Rs 145-4-0 & another for Rs 604-12-0 – (total Rs 2356/) were not admitted in credit, as no questions were called for

6 We [illegible] report that the bills have received on 14/2/49 that the work is progressing in conformity of sanction & report that they have been correctly paid & requests approval to the acts taken etc

It may be pointed out in this connection that in the resolution dated 14-2-49 of the bill for Rs 604-12-3 has been cut, as being purchases for repairs of Lorry not type 47 SR. There is no reference to the other amount spent of Rs 145/4/

Hence the resolution does not contain authorize the payment of the latter amount & its payment is irregular The only fact Committee before the approval for this irregular payment with [illegible] and

irregular as it is against the
~~action~~ provisions of the Law (Sec 41(3)
of the Act) and is not covered by the
results of the Mod.

7) Since the action taken is in deputi
contravention of the provisions, it cannot
be approved & the amount will have to
be surcharged
Also difficult to understand
why the ordinary powers of law - whereunder
have no sanctity otherwise if interference
is not allowed. The proposal cannot
be approved under any circumstances, as it amounts
to practically circumventing the law,
which is designed in the best interests of
the financial interests of the city
